March 2017

Every two years our Papua New Guinea branch has a biennium conference. It is a time to reflect on what God has done in our past, will do in our future, and is doing our mist.

This year's theme is "It is Well" based off of Kristene DiMarco Bethel Music song. We have a challenging speaker from the UK, Rev. Dr. Clive Burnard. He is encouraging us to look to Jesus when the storms of life arise.

Last night we had the honor of being invited to a meal with New Tribe Missionaries, Jon and Adie Leedahl, along with other missionaries intertwined in their story.

If you would like, you can You-Tube their story: [The Cost and Call to Mission Aviation](#)

We had the opportunity to meet Jon's parents and retell the story of how God saved Jon's life here at Ukarumpa. Jodi played a small but vital role in that story. It again reminded us "Through it all, It Is Well".

Thank you for being here with us through it all,

Jay and Jodi
