

June 26 2017

The end of June brought Jodi and I a change of whereabouts in PNG. I am back to the Alotau regional centre where Jodi and I worked for two weeks in March. One spouse, of the couple that manages the center had to leave PNG suddenly for a short time. Our Director's office asked Jodi and I, with little notice, if I could go and help for there for three weeks. Jodi and I felt God was giving the green light for me to go. Jodi is staying in Ukarumpa working in the clinic and taking her online classes.

*(New guard puppy Simba. Practicing guarding the back yard)*

I am here in Alotau working as manager. It is the rainy season here but it is warmer then up in the high lands where Ukarumpa is located:) I am still covering my Telephone manger's position even though I am away. Busy days:)

Please keep us in your prayers as I have more responsibilities working here without Jodi. Also please continue to pray for Jodi as she is studying while we are apart.

Serving with you on the PNG coast and in the PNG mountains,

Jay and Jodi
