

2018 March

Jodi's schooling is continuing and God has been faithful in helping her study. This week she has the opportunity to attend a "hands on" conference for student Nurse Practitioners at her University in Bourbonnais IL. It is a great opportunity for Jodi to learn and gain skills at the same time.

The evening of Tuesday 6<sup>th</sup> I will pick her up from her clinical and we will keep driving the 12hrs to IL. She will be in class there Wednesday morning through Sunday (11<sup>th</sup>). I will be heading up to WI for a few days to meet with some friends and partners while Jodi is in class.

Sunday evening we will start the drive back to Georgia. We are hoping to drive again straight though so Jodi can be back on Monday to catch up on her assignments and studying. Saturday 17<sup>th</sup> she has her midterm exam.

### **Praise**

-Jodi was able to be with Cullen and Kristol when Myra Kay entered the world on February 16. Mom and baby are doing great!

Jodi spent 3 nights in Minnesota enjoying time with them, Silas (proud big brother) and Danielle (spoiling auntie).

### **Please pray**

- safe driving to and from IL/WI with no snow storms
- Jodi will make good connections with her classmates and teachers
- Jodi will be able to learn skills that she will need on the mission field

Serving with you,

*Jay and Jodi*
